www.linkedin.com/in/victor-delvat-8954a1291

International Project Coordinator

Experienced team leader skilled in cross-functional collaboration, communication, and managing complex operations under pressure. Successfully coordinated programs for 30+ participants while adapting to dynamic priorities. Eager to leverage organizational and analytical abilities in a marketing or supply chain internship.

Skills

- Team Collaboration
- Customer service
- Multitasking
- Digital literacy

Education

Bachelor's in Business Administration: Global Business
EDHEC Business School

09/2025 to 06/2029
Nice, France

- Currently working on completing my program, which will take me to France, UCLA, and Singapore. This international experience will provide me with a comprehensive understanding of the multidimensional business environment
- Financial Accounting, Business Law, Macroeconomics, Quantitative Methods, Marketing, and Organizational Behavior

Experience

Scout Leader
SCOUT DE FRANCE

09/2024 to 06/2025
San Francisco, US

- Led outdoor education programs for 20+ children ages 8-12, developing and executing multi-day camp curriculum focused on survival skills, wildlife safety, and practical life skills
- Managed group dynamics through conflict resolution and adaptive programming, creating inclusive learning environments that encouraged full participation
- Key skills developed: youth program leadership, curriculum planning, crisis management, and adaptive problem-solving in dynamic outdoor environments

Associate
IN-N-OUT (Fast Food Restaurant)

08/2024 to 02/2025
San Francisco Bay Area, US

- Delivered exceptional customer service as primary contact for diverse clientele in a fast-paced environment
- Managed order fulfillment and coordination, ensuring accurate and timely product delivery
- Executed food preparation procedures, adhering to quality standards and food safety protocols
- Collaborated with cross-functional teams to enhance operational efficiency and meet customer expectations
